A County Schools' Union will represent the interests of all schools and colleges located in its Constituent Body (CB) and encourage the further development of schools' rugby and the recruitment of new member schools:

a) It will organise the CSU's finances, administration and membership;

b) It will elect representatives to the CBRDP and any other relevant body;

c) It will advise the CB, Constituent Body Rugby Development Partnership (CBRDP) and Rugby Development Officer (RDO) on educational matters, both rugby and non-rugby;

d) It will actively contribute to the CBRDP planning process and the implementation of the CB Action Plan;

e) It will work with its CB Committees, RFU Academy Liaison Group, CB Schools of Rugby and with the RFU Development Team;

f) It will advise and liaise with the ERFSU, CBRDP and local sections of the Rugby Football Union for Women (RFUW) on governance and player welfare issues e.g. drugs awareness, school tour applications, etc;

g) It will advise member schools and colleges on disciplinary issues. It will appoint a CSUDS, or agree on the appointment of a CBSYDS;

h) It will promote representative rugby to its member schools, and will recruit and nominate coaches and selectors for the CBRDP to consider for appointment;

i) It will promote, organise and facilitate a balanced and equitable programme of local schools and colleges rugby competitions, festivals, events and leagues as required;

j) It will help identify training needs and promote in-service courses for teachers and students;

k) It will recruit and involve Criminal Records Bureau (CRB) checked teachers and adults other than teachers' to supervise organised activities;

l) It will help promote school and college rugby achievements and news to the media.
