RUGBY FOOTBALL UNION WOMEN

1st March 2012

Dear Club Contact

Entry to League Rugby 2012/13 Season

Please see below and attached the details of the 2012/13 entry to league rugby requirements.

The majority of leagues, weather permitting, will come to a conclusion in late April/May and all league fixtures must be completed by 13th May 2012. If there are any concerns please liaise directly with me. In completing your application form for next season please consider your current league status and how you have managed throughout the season; if you have struggled for any reason consider if it may be better for you to select a more suitable league. The RFUW Rules and Regulations for Promotion and Relegation are available in the RFU Handbook and on rfu.com and these will give you a good indication of the standards required for each league and help you to make a decision.

RFUW Affiliation Deadlines:

- Please complete and return the Entry form and player list by the 18th May 2012.
- Please also complete and return your coaches' details. This is compulsory for Premiership and Championship clubs. However, we would like all clubs to provide us with coaching information so that we can monitor our coaching numbers and support coaches with coach education opportunities.
- Premiership Clubs please send your Action Plans to keeleyfathers@rfu.com so they can be distributed to your local member of staff.
- Full RFUW affiliation information will be sent out in May and must be returned by July 1st 2012.

The leagues for the season will be emailed to clubs for confirmation and when finalised will be available on rfu.com by June 15th 2012.

Fixtures will be available to download on the July 1st 2012. If you would like any further information regarding your league status for 2012/13 please contact me.

I look forward to hearing from you soon.

Yours faithfully

Keeley Fathers
Competitions Officer
