

# MERIT TABLES/JUNIOR LEAGUES

## SCHEME DETAILS

### SEASON 2013-14

#### OUTLINE

The Rugby Football Union has identified that regular rugby encourages participation. The RFU is keen to offer appropriate competition organisers financial support to help offset some of the costs of organising such competitions.

#### GRANT VALUE

The RFU has agreed 2 Options for payment to help offset the costs as follows:

**£300 per Merit Table/League (with an additional £30 per team for leagues over 10 teams, e.g. 11 team league = £330, 12 team league = £360 etc.)** - This will be paid to organisers that enter fixtures and results using the RFU Competitions Tools (Original or "Lite").

**£200 per Merit Table/League (with an additional £10 per team for leagues over 10 teams, e.g. 11 team league = £210, 12 team league = £220 etc.)** - This will be paid to organisers that provide fixtures and results information to the RFU on a regular basis, but will not update the RFU Competitions Tools.

Both options above are based on teams playing Home & Away. For leagues which have 8 teams or less, or which play once only, the RFU will evaluate how much grant will be available based upon the number of fixtures provided.

Applications are welcome for club Adult and certain Age Grade (U16's and older) competitions that provide regular opportunities for participation (e.g. leagues/merit tables). Knockout cups will not be eligible. The issue of funding Age Grade competitions for U15s and younger is being reviewed, however at this stage we are not going to include them in the support.

#### RESTRICTIONS

A copy of the fixture list(s) for season 2013/14 and Competition Regulations must be supplied.
